## ABOUT THE COURSE

Everyone has a responsibility for ensuring that the risk of fire is lessened and that in the event of a fire every action is taken to minimise injury and loss of life.

This Level 1 Fire Safety course covers the essential knowledge needed for fire safety, from how to prevent a fire from starting to what action to take in the event a fire does break out.

## AREAS COVERED

The modules of this short course include:

- Main causes of fire
- The effects of fire in the workplace
- How to prevent fires starting
- The fire triangle and sources of ignition
- Duties and responsibilities of employers and employees
- What actions to take in the event of a fire
- Fire fighting equipment

## ASSESSMENT AND CERTIFICATION

Candidates will be assessed by a series of multiple-choice questions upon the completion of each of the modules. Subject to satisfactory completion, candidates are given access to an electronic CIEH quality endorsed certificate of completion (in PDF format), which they are able to print.
