# Health and Safety for Directors and Senior Managers

---

## Course Aim

The aim of the course is to highlight the human, economic and financial implications of non-compliance with health and safety legislation. It will help you understand how to promote a positive health and safety culture within your business.

## Who Should Attend

This course is ideal for business owners, board members, chief executive officers, directors, partners, senior managers and HR professionals.

### Course Length

One Day

## Entry Requirements

It is recommended that candidates have a basic understanding of health and safety prior to attending this course.

## Accredited By

This is a non-accredited course. All candidates will receive an attendance certificate issued by Envesca Ltd.

## Delivery Methods

- In-House
- Public Courses Via Zoom

## The Content

- Health and safety legislation including regulations, industry guides and codes of practice.
- Consequences of non-compliance and penalties.
- Employer and employees roles and responsibilities.
- The role and power of enforcement officers.
- Moral and human costs and the implications of decisions made in the boardroom.
- The economic implications of an unsafe working environment.
- Allocation of responsibilities and the role of the management team.
- Operational requirements including monitoring programmes and auditing.
- The principles and importance of the risk assessment process.
- Reviewing workplace practices and work equipment.
- Ensuring effective staff development and training.
- How to introduce a positive and proactive health and safety culture within your business.

## The Benefits

By attending the course, you or your employees will gain an understanding of the importance of integrating health and safety objectives with your overall business goals.

In addition, you will know how to incorporate health and safety during planning and decision making.

On returning to the workplace, you or your employees will understand individual's roles and responsibilities and will be able to effectively manage a health and safety management system within your business.

# Health and Safety for Directors and Senior Managers

## Rave Reviews

"The course was very informative with lots of ideas for future refresher training. I found all of the course useful for my work and would have no hesitation in recommending this course to anyone responsible for health and safety within their business. All in all an excellent course."

**Helen Doel | Learning and Development Manager**  
**White Horse Care Trust**

"I enjoyed the course and thought it was instructive and focussed. The section on risk assessment was particularly helpful. The training has helped to clarify my job role with regard to health and safety roles and responsibilities. I would have no hesitation in recommending this course and Envesca.

**Roger Eynon**  
**Avon Valley Railway**
