NOTE: Enabling JavaScript and a stable broadband connection are required.

## ABOUT THE COURSE

This course offers a comprehensive guide to best practice when it comes to fire safety. The key to avoiding fire within your business is understanding factors and behaviours within your business and carrying out a thorough assessment to minimise risk. This course will equip candidates with the knowledge and skills to avoid the risk of fire in your business.

Although it does not provide a qualification itself, the course covers the key content and knowledge required to go on to achieve any Level 2 Fire Safety (RQF) qualification, using Highfield's Qualify at Home Remote Invigilation Service.

## AREAS COVERED

The modules included in this course cover the key syllabus of Level 2 Fire Safety qualification. These modules include:

- Introduction to fire safety
- The characteristics of fire
- Fire safety legislation
- Assessing and managing risk

## ASSESSMENT AND CERTIFICATION

Candidates will be assessed by a series of multiple-choice questions upon the completion of each of the modules. Subject to satisfactory completion, candidates are given access to an electronic Highfield quality endorsed certificate of completion (in PDF format), which they are able to print.
