ABOUT THE COURSE

This course is designed to provide a wide-ranging level of knowledge around health and safety. By the end of the course candidates will have the knowledge and skills to effectively supervise staff.

Although it does not provide a qualification itself, the course covers the key content and knowledge required to go on to achieve any Level 3 Health and Safety (RQF) qualification, using Highfield's Qualify at Home Remote Invigilation Service.

AREAS COVERED

The modules included in this course cover the key syllabus of Level 3 Health and Safety qualification. These modules include:

- Introduction to health and safety
- Accidents, injuries and work-related ill-health
- Legal aspects of health and safety
- Risk assessment
- Hazardous substances (COSHH)
- The workplace
- Using equipment safely
- Fire safety
- First aid
- Ergonomics, manual handling and DSE
- Measuring and monitoring performance
- The role of line managers and supervisors

ASSESSMENT AND CERTIFICATION

Candidates will be assessed by a series of multiple-choice questions upon the completion of each of the modules. Subject to satisfactory completion, candidates are given access to an electronic Highfield quality endorsed certificate of completion (in PDF format), which they are able to print.
