## ABOUT THE COURSE

This course is aimed at anyone who currently works, or wants to work, in construction.

Successful completion will enable you to move on to take the Highfield Level 1 Award in Health and Safety with a Construction Environment online test and then apply for the new Construction Skills Certificate Scheme (CSCS) Green Card.

This card allows access to construction sites in the UK as a non-skilled worker.

## AREAS COVERED

The modules included in this course cover the key syllabus of Level 1 Health and Safety qualification. These modules include:

- Legal and general responsibilities of construction operatives
- Health and welfare in a construction environment
- High-risk activities
- General safety in construction activities
- Mobile plant, site vehicles and environmental awareness
- Obtaining a CSCS card and revision questions

## ASSESSMENT AND CERTIFICATION

Candidates will be assessed by a series of multiple-choice questions upon the completion of each of the modules. Subject to satisfactory completion, candidates are given access to an electronic Highfield quality endorsed certificate of completion (in PDF format), which they are able to print.
